

Must-See Buenos Aires 2026 Guide

Welcome to Buenos Aires

Below you'll find a selection of must-see activities in the city and useful information.

First, here is the City of Buenos Aires Tourist Map, featuring tourist information and the location of the city's main attractions:

<https://turismo.buenosaires.gob.ar/es/article/atención-al-turista>

You can download it by opening the link, scrolling down, and selecting one of the two red buttons according to your preferred image resolution.

You will also find all the information you need to enjoy Buenos Aires, including safety, health information, apps, weather, opening hours, and much more:

<https://turismo.buenosaires.gob.ar/es/agrupador-noticias/datos-útiles>

If you're wondering what to visit, we offer self-guided itineraries to explore Buenos Aires in one, two or three days, depending on your interests.

You can also join one of our guided tours and discover even more about the city:
